Portrait

Landscape

Simple cards - Portrait

- Download the portrait card via our web site and save it in a location you can remember.

- Download the picture of St Marys Tower

- Replace the picture of a tree with the picture of the Tower

- Change the text

- Delete the notes on each page

- Save (and print)

Simple cards - Landscape

- Download the landscape card via our web site and save it in a location you can remember.
- Download the picture of St Marys landscape
- Replace the picture of Seamans with the landscape picture of the Tower, resize it (don't forget to hold the shift key when stretching it to keep the aspect ratio).
- It will go over the lettering so right click on it and select Arrange>Send to back
- Change the remaining text

Preparing your own photos for Landscape cards - Windows

These are the instructions for Windows 10, Windows 11 may be slightly different

- Chose a landscape picture and double click on it to open it photos

- Click on the edit button and then the anticlockwise rotate to turn it so the top is on the left hand side.

- Apply any more edits (e.g. crop)

- Click on Save Options.

- Follow the instructions for a simple card

Preparing your own photos for Landscape cards - Mac
